ABOUT US

GOVIND KUMAR
DIRECTOR

Govind Kumar is a dedicated AV Solutions Specialist from Rajasthan, known for delivering smart and innovative audio-visual solutions for schools, offices, auditoriums, and businesses. With expertise in Smart Class setups, VC setups, Active LED installations, and customized AV solutions, he focuses on creating modern technology experiences that are reliable, professional, and user-friendly. Through NEXTRO Smart AV Solutions, Govind Kumar aims to transform communication and learning environments with advanced technology that enhances engagement, productivity, and connectivity. His commitment to quality service, customer satisfaction, and intelligent AV integration has made him a trusted name in the AV industry across Rajasthan.

MISSION

To provide innovative, reliable, and high-quality Smart AV solutions that enhance communication, education, and business experiences through advanced technology, professional service, and customer-focused support.

VISION

To become Rajasthan's most trusted and leading AV solutions brand by transforming spaces with smart technology, delivering excellence in audio-visual experiences, and empowering organizations with modern digital solutions.

SMART CONNECT SOLUTIONS
